A JOINT VENTURE OR PARTNERSHIP AND REFERRING BROKER IS NOT AN AGENT OR EMPLOYEE OF FXCM

FXCM DOES NOT SUPERVISE THE ACTIVITIES OF REFERRING BROKER AND ASSUMES NO LIABILITY FOR ANY REPRESENTATIONS MADE BY REFERRING BROKER. FXCM AND REFERRING BROKER ARE WHOLLY SEPARATE AND INDEPENDENT FROM ONE ANOTHER. THE AGREEMENT BETWEEN FXCM AND REFERRING BROKER DOES NOT ESTABLISH

1. FXCM does not control, and cannot endorse or vouch for the accuracy or completeness of any information or advice Client may have received or may receive in the future from Referring Broker or from any other person not employed by FXCM regarding foreign currency or exchange ("Forex") trading or the risks involved in such trading.
2. FXCM provides risk disclosure information to all new Clients when they open accounts. Client should read that information carefully, and should not rely on any information to the contrary from any other source.
3. Client acknowledges that no promises have been made by FXCM or any individual associated with FXCM regarding future profits or losses in Client's account. Client understands that Forex trading is very risky, and that many people lose money trading.
4. If Referring Broker or any other third party provides Client with information or advice regarding Forex trading, FXCM shall in no way be liable for any loss to Client resulting from Client's use of such information or advice.
5. To the extent Client has previously been led to believe or believes that utilising any third party trading system, course, program, research or recommendations provided by Referring Broker or any other third party will result in trading profits, Client hereby acknowledges, agrees and understands that all Forex trading, including trading done pursuant to a system, course, programme, research or recommendations of Referring Broker or another third party involves a substantial risk of loss. In addition, Client hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of Referring Broker or another third party will not necessarily result in profits, avoid losses or limit losses.
6. Client understands that Referring Broker and many third party vendors of trading systems, courses, programs, research or recommendations are not regulated by a government agency.
7. Because the risk factor is high in foreign currency transactions trading, only genuine "risk" funds should be used in such trading. If Client does not have the extra capital the Client can afford to lose, Client should not trade in the foreign currency markets.
8. Client understands and acknowledges that FXCM may compensate Referring Broker for referring Client to FXCM and that such compensation may be on a per-trade basis or other basis. Further, the Client has a right to be informed of the precise nature of such remuneration.
9. FXCM does not endorse or vouch for the services provided by the Referring Broker. Since Referring Broker is not an employee or agent of FXCM, it is the account holder's responsibility to perform necessary due diligence on the Referring Broker prior to using any of their services.
10. Client understands that he/she may receive a new account number and login. The client will be contacted electronically if a new account is assigned.
11. Client understands and agrees that if Client's account with FXCM is referred by Referring Broker that Referring Broker may be provided access to certain personal information about Client as well as certain information concerning trading activity in Client's FXCM account. In the event that the Referring Broker is appropriately authorized by a regulatory body, client agrees that Referring Broker may be provided with a copy of the client's application. Referring Broker shall not have the right to enter into any trades on Client's FXCM account unless specifically authorized by Client through execution of a limited power of attorney granting Referring Broker authority to make trading decisions for Client's account
