2. FXCM MENA provides risk disclosure information to all new Clients when they open accounts. Client should read that information carefully, and should not rely on any information to the contrary from any other source.
3. Client acknowledges that no promises have been made by FXCM MENA or any individual associated with FXCM MENA regarding future profits or losses in Client's account. Client understands that Forex trading is very risky, and that many people lose money trading.
4. If Referring Broker or any other third party provides Client with information or advice regarding Forex trading, FXCM MENA shall in no way be responsible for any loss to Client resulting from Client's use of such information or advice.
5. To the extent Client has previously been led to believe or believes that utilising any third party trading system, course, program, research or recommendations provided by Referring Broker or any other third party will result in trading profits, Client hereby acknowledges, agrees and understands that all Forex trading, including trading done pursuant to a system, course, programme, research or recommendations of Referring Broker or another third party involves a substantial risk of loss. In addition, Client hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of Referring Broker or another third party will not necessarily result in profits, avoid losses or limit losses.
6. Client understands that Referring Broker and many third party vendors of trading systems, courses, programs, research or recommendations are not regulated by a government agency.
7. Because the risk factor is high in foreign currency transactions trading, only genuine "risk" funds should be used in such trading. If Client does not have the extra capital the Client can afford to lose, Client should not trade in the foreign currency markets.
8. Client understands and acknowledges that FXCM MENA may compensate Referring Broker for referring Client to FXCM MENA and that such compensation may be on a per-trade basis or other basis. Further, the Client has a right to be informed of the precise nature of such remuneration.

Referring Broker shall not have the right to enter into any trades on Client's FXCM MENA account unless specifically authorised by Client through execution of a limited power of attorney granting Referring Broker authority to make trading decisions for Client's account.

Should you have any questions regarding the risks of trading in foreign currency, please contact your account representative.

Because the risk factor associated with trading in the foreign exchange market is high, only genuine "risk" funds should be used in such trading. If Account Holder does not have the extra capital the Account Holder can afford to lose, Account Holder should not trade in the foreign exchange market. Account Holder understands that using an electronic trading system to generate trades, exposes Account Holder to risks associated with the use of computers and data feed systems relied on by FXCM MENA. The Account Holder agrees to accept such risks, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors. No "safe" trading system has ever been devised, and no one can guarantee profits or freedom from loss. In fact no one can even guarantee to limit the extent of losses.
